

## Fill in the gaps

We all got lonely days	Now that I'm over you and I'm (4) too
Gets stuck in a phase	I can finally feel alive
I can see the sun is shining bright	But I won't give you my heart
Right on through the haze	'Cause it don't (5) twice
I complain and say	Just to let you know, let you know
Is this really my life	And if you play the part
Now that I'm over you and I'm sober too	And play it real nice
I can finally feel alive	Maybe I'll let go
But I won't give you my heart	I'll let go
'Cause it don't break twice	I'm sure you'll tell me anything (6) the sun
Just to let you know, let you know	Like how you think
And if you play the part	I'm special and the only one
And play it real nice	'Cause normally I'd (7) just get up and
Maybe I'll let go	run
I'll let go	But you're looking so damn good to me under the sun
I'm sure you'll (1) me (2)	Well do ya get, do ya get what I need
(3) the sun	(Na na na nah na na)
Like how you think	Could you show me something that I want to see
I'm special and the only one	(Na na na nah na na)
'Cause normally I'd probably just get up and run	And maybe you can get underneath
But you're looking so damn good to me under the sun	(Na na na nah na na)
	If you (8) the sun go down on me
Under the sun	(Na na na nah na na) go down on me
	I'm sure you'll tell me anything under the sun
Are we on the same page	Like how you think
Don't need to play	I'm (9) and the only one
All these games just to get a little	'Cause normally I'd probably just get up and run
Feel the sunshine on my face	But you're (10) so damn good to me under
And I got paid today	the sun
Is this really my life
