

## Fill in the gaps

We all got lonely days		Now that I'm (10) you and I'm sober too
Gets stuck in a phase		I can finally feel alive
I can see the sun is shining bright		But I won't (11) you my heart
Right on through the haze		'Cause it don't break twice
I complain and say		Just to let you know, let you know
Is this (1) my life		And if you play the part
Now (2) I'm over you and I'm sober too		And play it real nice
I can (3) (4) alive		Maybe I'll let go
But I won't give you my heart		I'll let go
'Cause it don't break twice		I'm (12) you'll tell me anything under the sun
Just to let you know, let you know		Like how you think
And if you play the part		I'm special and the only one
And play it (5) nice		'Cause normally I'd probably just get up and run
Maybe I'll let go		But you're looking so damn good to me under the sun
I'll let go		Well do ya get, do ya get what I need
I'm sure you'll tell me anything (6) the sun		(Na na na nah na na)
Like how you think		Could you show me something (13) I want to see
I'm special and the only one		(Na na na nah na na)
'Cause (7)	I'd probably just get up and	And (14) you can get underneath
run		(Na na na nah na na)
But you're (8)	so damn good to me under	If you (15) the sun go down on me
the sun		(Na na na nah na na) go (16) on me
		I'm sure you'll tell me anything (17) the sun
Under the sun		Like how you think
		I'm special and the only one
Are we on the same page		'Cause normally I'd (18) just get up and
Don't need to play		run
All these (9)	just to get a little	But you're looking so (19) good to me under the
Feel the sunshine on my face		sun
And I got paid today		
Is this really my life
