Called you out, finished strong	I told you, I (11) you, I told you so (oh)
Whiskey (1) lemonade, fence's up my barricade	I told you, I told you, I told you so (oh)

I (2) see the color in your face as it fades	Bottle in my hand, pour a little on the ground
That's how it is, ain't no riddle	Next time you (13) talk trash, I'ma put it on blast
Crunchy on the edge but soft in the middle	You can get it if you ask for it
I got a lot, you got a little	Put it in the (14) finger for the fat
I'ma play war drums, you play the fiddle	Ladies hangin' out
Do it real slow, lean on the bow	Shatter up you glass house (oops neehow)

I told you, I told you, I (6) you so (oh)	hater
I told you, I (7) you, I told you so (oh)	Be a baller not a traitor please
Feels so good, doesn't it?	Hand on my knees
Winning while they flubbin' it	Talk to you later, then I'm gonna
I was right, you was wrong	(Whoop) there it go!
Figured I'd write it in a hip hop song	Right all along and I knew it in my soul
Was it so hard to believe?	I told you so (I told you so)
I could make it being me?	Don't want to (18) but you (19)
Drank too much Ouzo	(20) (oh)
My gosh, you know	I told you so (I told you so)
People say a lot of things, make you feel real small	Don't (21) to brag but you already know
Push them out the way, iced latte, tall	You already know
I don't really care, I'm not really there	I (22) you so
Caffeinated up to my eyes, I swear	Don't want to brag but you already know (oh)
I'm on the top, you on the flop	I told you so (I told you so)
Going so long and I'm never gonna stop	Don't want to brag but you already know
Lost your control, I'm on a roll	You already know
Right all along and I knew it in my soul	I (23) you, I (24) you, I told you so (oh)
I told you so	I told you, I (25) you, I told you so (oh)
