Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything could happen
Cover your eyes	Anything (4) happen
So you don't (1) the secret	Anything could happen
I've been trying to hide	Anything could
We held our breath	Baby, I'll give you (5) you need
To see our names are written	I'll give you everything you need (oh)
On the wreck of '86	I'll (6) you everything you need
That was the year	But I don't think I need you
I (2) the panic was over	I know it's gonna be
Yes since we found out	I know it's gonna be
Since we found out	I know it's gonna be
That anything could happen	I know it's gonna be
Anything could happen	I know it's (7) be
Anything could happen	I know it's gonna be
Anything could happen	I know it's (8) be
Anything could happen	I know it's (9) be (oh)
Anything could happen	
Anything could	(But I don't think I need you)
After the war we said we'd fight together	
I guess we thought that's just (3) humans do	(But I don't think I need you)
Letting darkness grow	
As if we need its palette and we need its colour	(But I don't think I need you)
But now I've seen it through	
And now I know the truth	(But I don't think I need you)
That anything could happen
