Anything could happen

Fill in the gaps

Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything could happen
Cover (1) eyes	Anything (11) happen
So you don't know the secret	Anything (12) happen
I've been (2) to hide	Anything could
We (3) our breath	Baby, I'll give you (13) you need
To see our (4) are written	I'll (14) you everything you need (oh)
On the wreck of '86	I'll give you (15) you need
That was the year	But I don't think I need you
I knew the (5) was over	I know it's gonna be
Yes since we found out	I know it's gonna be
Since we found out	I know it's gonna be
That anything could happen	I know it's (16) be
Anything could happen	I (17) it's gonna be
Anything could happen	I (18) it's (19) be
Anything could happen	I know it's gonna be
Anything (6) happen	I (20) it's (21) be (oh)
Anything could happen	
Anything could	(But I don't (22) I need you)
After the war we (7) we'd fight together	
I guess we (8) that's just (9)	(But I don't think I need you)
humans do	
Letting (10) grow	(But I don't think I need you)
As if we need its palette and we need its colour	
But now I've seen it through	(But I don't (23) I (24) you)
And now I know the truth	
That anything could happen
