## Anything Could Happen by Ellie Goulding

Stripped to the waist		Anything could happen	
We fall into the river		Anything could happen	
Cover your eyes		Anything could happen	
So you don't know the secret		Anything could happen	
I've been trying to hide		Anything could	
We held our breath		Baby, I'll give you everything you need	
To see our (1)	are written	I'll give you everything you (5)(	(oh)
On the wreck of '86		I'll give you everything you need	
That was the year		But I don't (6) I need you	
I knew the panic was over		I know it's gonna be	
Yes since we found out		I know it's gonna be	
Since we found out		I know it's gonna be	
That anything (2) happen		I know it's gonna be	
Anything could happen Anything could happen Anything could happen		I know it's gonna be	
		I know it's gonna be	
		I know it's gonna be	
Anything (3)	happen	I know it's gonna be (oh)	
Anything could happen			
Anything could		(But I don't (7) I need you)	
After the war we said we'd fight together			
I guess we thought that's just what humans do		(But I don't think I need you)	
Letting darkness grow			
As if we need its palette and we need its colour		(But I don't think I need you)	
But now I've seen it through			
And now I know the truth		(But I don't think I need you)	
That (4)	could happen
