Anything Could Happen by Ellie Goulding

Stripped to the waist	Anything could happen
We fall into the river	Anything could happen
Cover your eyes	Anything could happen
So you don't know the secret	Anything could happen
I've been trying to hide	Anything could
We held our breath	Baby, I'll give you everything you need
To see our (1) are written	I'll give you (4) you need (oh)
On the wreck of '86	I'll give you everything you need
That was the year	But I don't think I need you
I knew the panic was over	I (5) it's gonna be
Yes since we found out	I know it's gonna be
Since we found out	I know it's (6) be
That (2) could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I know it's gonna be
Anything could happen	I (7) it's gonna be
Anything could happen	I know it's gonna be (oh)
Anything could happen	
Anything could	(But I don't think I need you)
After the war we said we'd fight together	
I guess we thought that's just what humans do	(But I don't (8) I need you)
Letting darkness grow	
As if we need its palette and we need its colour	(But I don't think I need you)
But now I've seen it through	
And now I (3) the truth	(But I don't think I (9) you)
That anything could happen
