

You got the best friends sing, sing along

Fill in the gaps

Yo, my best friend		Laughing so damn hard
Best friend till the (1) end		Crashed (6) dad's new car
'Cause best friends		All the scars we share
Best friends don't have to pretend		I promise, I swear
You need a hand		Wherever you go, just always remember
And I'm right there right beside you		That you got a home for now and forever
You in the dark		And if you get low, just call me whenever
I'll be the bright light to guide you		This is my oath to you
'Member the times, times, times		Wherever you go, just always remember
Sneaking of the house		You never alone, we're birds of a feather
All of the times, times, times		And we'll never change, no matter the weather
That you had the doubts		This is my oath to you
And don't forget all the trouble we got into		(Oh oh oh)
We got something you can't undo		I'll never let you go
Do		(Oh oh oh)
Laughing so (2) hard		(Whoa) this is my oath to you
Crashed (3) dad's new car		(Oh oh oh)
All the scars we share		Just thought that you should know
I promise, I swear		(Oh oh oh)
Wherever you go, just always remember		Whoa, this is my oath to you
That you got a home for now and forever		
And if you get low		Yeah
Just call me whenever		Wherever you go, (7) always remember
This is my oath to you		That you got a home for now and forever
Wherever you go, just always remember		And if you get low, just call me whenever
You never alone, we're birds of a feather		This is my oath to you
And we'll never change, no (4)	_ the weather	Wherever you go, just always remember
This is my oath to you		You never alone, we're (8) of a feather
I know I (5) you crazy		And we'll never change, no (9) the weather
(Mm) sometimes		This is my (10) to you
I know I called you lazy		(Oh oh oh)
And that's most times		You should know, you should know, you should know
But you complete me		(Oh oh oh)
And that's no lie		(Whoa) this is my oath to you
You are my tuxedo		(Oh oh oh)
And I'm your bow tie		You never alone, we're birds of a feather
We in the car, sing, sing, singing our song		(Oh oh oh)
Rocking the building		This is my oath to you
Tear it down, like we King Kong		
And in my eyes, you can't do, do no wrong
