Want U Back by Cher Lloyd & Astro

Fill in the gaps

	I broke it off (4) you'd be crying
Hey, boy you never had much game	Now I feel like ****, looking at you flying
Thought I needed to upgrade	I want u back, I want u back
So I went and walked away-way-way	Want-want u, want u back
Now, I seen you've been hanging out	(Ooh) I thought you'd still be mine
With that other girl in town	When I kissed you goodbye
Looking like a (1) of clowns, clowns, clowns	(Oh oh, oh oh)
Remember all the things that you and I did first?	(Ooh) and you might be with her
And now you're doing them with her	But I (5) had you first
Remember all the things that you and I did first?	(Oh oh, oh oh) (Astro)
You got me, got me like this	We used to be
And now you're taking her to every restaurant	But now there's a separation between you and me
And everywhere we went, come on!	Baby I'm moving on to another girl
And now you're taking her to every restaurant	That understands me more
You got me, got me like this	Dated in (6) your place so you could see it all
Boy you can say anything you want	I (7) the times, when we (8)
I don't give ****, no one else can have ya	to bond
I want u back, I want u back	But I never realized that you wanted to be mine
Want-want u, want u back	So I gave her the ring instead of you
I broke it off thinking you'd be crying	Nickname too
Now I feel like ****, looking at you flying	I can tell you're upset, because it ain't you
I want u back, I want u back	Met a new girl, and I gave her my heart
Want-want u, want u back	Not noticing that you wanted me from the very start
Please, this ain't even jealousy	You (9) me back? We can (10) be
She ain't got a thing one me	friends
Trying to rock them (2) jeans, jeans, jeans	Don't try to sting all over again, come on
You clearly didn't think this through	Boy you can say anything you want
If what I've been told is true	I don't give a **** no one else can have ya
You'll be crawling back like (boo-hoo-hoo)	I want u back, I want u back
Remember all the things that you and I did first?	Want-want u, want u back
And now you're doing them with her	I broke it off thinking you'd be crying
Remember all the things that you and I did first?	Now I feel like ****, looking at you flying
You got me, got me like this	I want u back, I want u back
And now you're taking her to every restaurant	Want-want u, want u back
And everywhere we went, come on!	I want u back (let me know)
And now you're (3) her to every restaurant	I want u back , I want u back
You got me, got me like this	Want-want u , want u back
Boy you can say anything you want	Yeah, yeah (Ooh)
I don't give a ****, no one else can have ya	I want u back , I want u back
I want u back, I want u back	Want-want u, want u back
Want-want u, want u back	Do I sound like a helicopter?
