Want U Back by Cher Lloyd & Astro

Fill in the gaps

	I broke it off thinking you'd be crying	
Hey, boy you never had much game	Now I feel like ****, looking at you flying	
Thought I needed to upgrade	I want u back, I want u back	
So I went and walked away-way-way	Want-want u, want u back	
Now, I seen you've been hanging out	(Ooh) I (6) you'd (7) I	be mine
With that other girl in town	When I kissed you goodbye	
Looking like a pair of clowns, clowns, clowns	(Oh oh, oh oh)	
Remember all the things that you and I did first?	(Ooh) and you might be with her	
And now you're doing them with her	But I still had you first	
Remember all the things that you and I did first?	(Oh oh, oh oh) (Astro)	
You got me, got me like this	We (8) to be	
And now you're taking her to every restaurant	But now there's a separation between you and me	
And everywhere we went, come on!	Baby I'm moving on to another girl	
And now you're taking her to every restaurant	That understands me more	
You got me, got me like this	Dated in front your place so you could see it all	
Boy you can say anything you want	I remember the times, when we used to bond	
I don't give ****, no one (1) can have ya	But I never realized that you wanted to be mine	
I want u back, I want u back	So I gave her the ring instead of you	
Want-want u, want u back	Nickname too	
I broke it off thinking you'd be crying	I can tell you're upset, because it ain't you	
Now I (2) like ****, looking at you flying	Met a new girl, and I gave her my heart	
I want u back, I want u back	Not noticing that you wanted me from the very start	
Want-want u, want u back	You want me back? We can just be friends	
Please, this ain't even jealousy	Don't try to sting all over again, come on	
She ain't got a thing one me	Boy you can say anything you want	
Trying to rock them ugly jeans, jeans, jeans	I don't give a **** no one else can have ya	
You (3) didn't think this through	I want u back, I want u back	
If what I've been told is true	Want-want u, want u back	
You'll be crawling back like (boo-hoo-hoo)	I broke it off thinking you'd be crying	
Remember all the things that you and I did first?	Now I feel like ****, looking at you flying	
And now you're doing them with her	I want u back, I want u back	
Remember all the things that you and I did first?	Want-want u, want u back	
You got me, got me like this	I want u back (let me know)	
And now you're taking her to every restaurant	I want u back, I want u back	
And everywhere we went, come on!	Want-want u , want u back	
And now you're taking her to every restaurant	Yeah, yeah (Ooh)	
You got me, got me like this	I want u back, I want u back	
Boy you can say anything you want	Want-want u, want u back	
I don't give a ****, no one (4) can have ya	Do I sound like a helicopter?	
I want u back, I (5) u back		
Want-want u, want u back
