

Or try to make it right

## Fill in the gaps

I fall asleep by the telephone	And don't waste (3) breath (4)
It's two o'clock and I'm waiting up alone	it's too late
Tell me where have you been	It's too late
I found a note with another name	You can tell me that there's nobody else
You blow a kiss but it just don't feel the same	(But I feel it)
'Cause I can (1) that you're gone	You can tell me that you're home by yourself
I can't bite my (2) forever	(But I see it)
While you try to play it cool	You can look (5) my eyes and pretend all you want
You can hide behind your story	But I know I know
But don't take me for a fool	Your love is just a lie! (lie!)
You can tell me that there's nobody else	Lie! (lie!)
(But I feel it)	It's nothing but a lie! (lie!)
You can tell me that you're home by yourself	Lie! (lie!)
(But I see it)	You're nothing but a lie!
You can look into my eyes and pretend all you want	You can (6) me that there's nobody else
But I know I know	(But I feel it)
Your love is just a lie! (lie! lie!)	You can tell me that you're home by yourself
It's nothing but a lie! (lie! lie!)	(But I see it)
You look so innocent	You can look (7) my eyes and pretend all you want
But the guilt in your voice gives you away	But I know I know
Yeah, you know what I mean	Your love is just a lie!
How does it feel when you kiss	I know you're nothing but a lie! (lie!)
When you know that I trust you?	Lie! (lie!)
And do you think about me	You're nothing but a lie! (lie!)
When he touches you?	Lie! (lie!)
Could you be more obscene? (be more obscene?)	Your love is (8) a lie!
So don't try to say you're sorry
