

## Fill in the gaps

## Something More by Secondhand Serenade

lie (1) again, my bodies feeling paralysed	There must be something more,
I cant remember when	Do we (17) (18) were fighting for?
I (2) live through this disguise	Breathe in (19) out
The (3) you said to me	And all these masks we wore
They couldnt set me free	We never knew what we had in store
Im stuck here in this life i didnt ask for	Breathe in breathe out
There (4) be something more,	I (20) everyone and now what will i become?
Do we know what (5) (6) for?	I (21) to start this over
Breathe in (7) out	I have to start this over
And all these masks we wore	There must be something more,
We (8) knew (9) we had in store	Do we know what (22) fighting for?
Breathe in (10) out	Breathe in (23) out
The storm is rolling in	And all these (24) we wore
The thunders loud it hurts my ears	We never knew what we had in store
Im paying for my sins	Breathe in breathe out
And its (11) (12) for years and years	There must be something more
I fooled everyone and now (13) i	Breathe in breathe out
become?	There (25) be something more
I (15) to start this over	
I (16) to start this over
