

Fill in the gaps

If I die young (1) me in satin	The sharp knife of a (6) life, well
Lay me down on a bed of roses	I've had just enough time
Sink me in the (2) at dawn	So put on your best (7) and I'll wear my pearls
Send me away with the words of a love song	What I never did is done
(Oh oh oh oh)	A (8) for my thoughts
Lord make me a rainbow	Oh no I'll sell them for a dollar
I'll shine down on my mother	They're worth so much more after I'm a goner
She'll know I'm safe with you	And maybe then you'll hear the words I been singing
When she stands under my colors	Funny when you're dead how people start listening
(Oh) and	If I die young bury me in satin
Life ain't always what you think it ought to be, no	Lay me down on a bed of roses
Ain't even grey, but she buries her baby	Sink me in the river at dawn
The sharp knife of a short life, well	Send me away with the words of a love song
I've had just enough time	(Oh oh)
If I die young bury me in satin	The ballad of a dove
Lay me (3) on a bed of roses	(Oh oh)
Sink me in the river at dawn	Go with peace and love
Send me away with the words of a love song	Gather up your tears, (9) 'em in (10)
The sharp knife of a short life, well	pocket
I've had just enough time	Save them for a time
And I'll be wearing white	When your really gonna need 'em (oh)
When I (4) into your kingdom	The sharp knife of a short life, well
I'm as green as the ring on my little cold finger	I've had just enough time
I've never known the loving of a man	So put on your best boys
But it sure felt nice when he was holding my hand	And I'll wear my pearls
There's a boy here in town says he'll (5) me
