

## Fill in the gaps

i ne night	i don't (6) lose you child
Relieves the day	I'll never say goodbye
When the night	All I need
Relieves the day	Is to be with you
You fill my days (1) laughter	Somewhere
You take (2) the strain	Somewhere we call home
There's a smile I'd forgotten	Somewhere we call home
But, you've put it there again	'Cause I don't wanna lose you
No, I don't wanna lose you	Never (7) see you cry (never)
Never wanna see you cry	I don't wanna lose you child
I don't (3) lose you child	I'll never say goodbye
I'll never say goodbye	All I need
All I need	Is to be with you
Is to be with you	Somewhere
Somewhere	Somewhere we call home
Somewhere we call home	Somewhere we call home
Now you said that I (4) you	I don't wanna lose you child
And left you far behind	No no no
But you knew	I don't wanna (8) you child
I'd come running	All I need is to be (9) you
I just hope	Somewhere we (10) home
That I'm in time	
'Cause I don't wanna (5) you	
Never wanna see you cry
