

## Fill in the gaps

### Come Wake Me Up by Rascal Flatts

...

I can usually drink you right off my mind  
But I miss you tonight  
I can (1)\_\_\_\_\_ push you right out of my heart  
But I'm too tired to fight  
Yeah the whole thing begins  
And I let you sink in to my veins  
And I feel the pain like it's new  
Everything that we were everything that you said  
Everything that I did and that I couldn't do  
Plays through tonight  
Tonight your memory burns like a fire  
With every one it grows higher and higher  
And I can't get over it  
I just can't put out this love  
I just sit in these flames  
And pray that you'll come back  
Close my eyes tightly  
Hold on and hope that I'm dreaming  
Come (2)\_\_\_\_\_ me up  
Turn the TV up loud (3)\_\_\_\_\_ to drown out your voice  
But I can't forget  
Now I'm all out of ideas  
And (4)\_\_\_\_\_ I'm down to my last cigarette  
Yeah you're probably asleep deep inside of your  
Dreams while I'm sitting (5)\_\_\_\_\_ crying  
And trying to see  
Yeah wherever you are baby now  
I am sure that you've moved on  
And aren't thinking twice about me and you tonight

Tonight your memory burns like a fire  
With every one it grows higher and higher  
I can't get over it  
I just can't put out this love  
I just sit in these flames  
And pray that you'll come back  
Close my eyes tightly  
Hold on and hope that I'm dreaming  
I know that you're moving on  
I know I should give you up  
But I (6)\_\_\_\_\_ hoping that you'll trip and fall back in love  
Times not healing anything  
Baby this pain is (7)\_\_\_\_\_ (8)\_\_\_\_\_ it ever was  
I know that you can't hear me but baby  
I need you to save me tonight  
Tonight your memory burns like a fire  
With every one it (9)\_\_\_\_\_ (10)\_\_\_\_\_ and  
higher  
I can't get over it  
I just can't put out this love  
I just sit in these flames  
And pray that you'll come back  
Close my eyes tightly  
Hold on and hope that I'm dreaming  
Come wake me up  
(Oh) I'm dreaming come wake  
Me up  
(Oh) I'm dreaming

**Fill in the gaps**

**Answer**

1. normally
