Come Wake Me Up by Rascal Flatts

And aren't thinking twice about me and you tonight

•••	Tonight your memory burns like a fire
I can usually drink you right off my mind	With every one it grows higher and higher
But I miss you tonight	I can't get (5) it
I can normally push you (1) out of my heart	I just can't put out this love
But I'm too tired to fight	I (6) sit in these flames
Yeah the whole thing begins	And pray that you'll come back
And I let you sink in to my veins	Close my (7) tightly
And I feel the (2) like it's new	Hold on and hope that I'm dreaming
Everything that we were everything that you said	I know that you're moving on
Everything that I did and that I couldn't do	I know I should give you up
Plays through tonight	But I keep hoping that you'll trip and fall back in love
Tonight your memory burns like a fire	Times not healing anything
With every one it grows higher and higher	Baby (8) pain is worse than it ever was
And I can't get over it	I know that you can't hear me but baby
I just can't put out this love	I need you to (9) me tonight
I just sit in these flames	Tonight your memory burns like a fire
And pray (3) you'll (4) back	With every one it grows higher and higher
Close my eyes tightly	I can't get over it
Hold on and hope that I'm dreaming	I just can't put out this love
Come wake me up	I just sit in these flames
Turn the TV up loud just to drown out your voice	And pray that you'll (10) back
But I can't forget	Close my eyes tightly
Now I'm all out of ideas	Hold on and hope that I'm dreaming
And baby I'm down to my last cigarette	Come wake me up
Yeah you're probably asleep deep inside of your	(Oh) I'm dreaming come wake
Dreams while I'm sitting here crying	Me up
And trying to see	(Oh) I'm dreaming
Yeah wherever you are baby now	
I am sure that you've moved on
