

Fill in the gaps

If I could find assurance		
To leave you behind		
I (1) my (2) half would fad		
And all my doubt		
Is a staircase for you		
Opened out of this space		
The first step is the one you believe in		
The second one might be profound		
I'll follow you down		
Through the eye of the storm		
Don't worry I'll keep you warm		
I'll follow you down		
While we're passing through space		
I don't care if we fall from grace		
I'll follow you down		
You can have the (3) and the world		
The angels and the pearls		
Even trademark the color blue		
Just like the (4) we never built		
In the shadow of all the guilt		
When the other hand was pointed at you		
Yeah the first step is the one you believe in		
And the second one might be profound		
I'll follow you down		
Through the eye of the storm		

Don't worry I'll keep you warm		
I'll follow you down		
While we're passing through space		
I don't care if we fall from grace		
I'll follow you down to where (5)		lies
Without a doubt I'm on (6)	_ side	
There's nowhere else (7)	I would rathe	r be
I'm not about to compromise		
Give you up to say goodbye		
I'll guide you through the deep		
I'll keep you close to me		
I'll follow you down		
Through the eye of the storm		
Don't worry I'll keep you warm		
I'll follow you down		
While we're passing through space		
I don't care if we fall from grace		
I'll follow you		
If I could find assurance		
To leave you behind		
I know my better half would fade		
l'll (8) you down
