I know my (2) half would fade	While we're passing (14) space
And all my doubt	I don't care if we fall from grace
Is a (3) for you	I'll (15) you down to (16) foreve
Opened out of this space	lies
The (4) step is the one you (5)	Without a (17) I'm on your side
in	There's (18) (19) that I would
The second one might be profound	rather be
I'll follow you down	I'm not about to compromise
Through the eye of the storm	Give you up to say goodbye
Don't (6) I'll keep you warm	I'll guide you through the deep
l'll (7) you down	I'll (20) you close to me
While we're (8) through space	I'll follow you down
I don't care if we (9) from grace	Through the eye of the storm
I'll follow you down	Don't worry I'll (21) you warm
You can have the money and the world	I'll follow you down
The angels and the pearls	While we're passing through space
Even trademark the color blue	I don't care if we (22) (23) grace
Just (10) the tower we never built	I'll follow you
In the (11) of all the guilt	If I could find assurance
When the other hand was pointed at you	To leave you behind
Yeah the first step is the one you believe in	I (24) my better half (25) fade
And the (12) one might be profound	I'll follow you down
I'll follow you down	
Through the eye of the storm
