

## Fill in the gaps

You know I'm not one
To (1) promises
I don't want to (2) you
But I need to breathe
At the end of it all
You're still my best friend
But there's something inside
That I need to release
Which way is right
Which way is wrong
How do I say that I need to move on
You know we're headed separate ways
And it feels (3) I am
Just too close to love you
There's nothing I can really say
I can't lie no more
I can't hide no more
Got to be (4) to myself
And it (5) like I am
Just too (6) to love you
So I'll be on my way
You've given me more
Than I can return
Yet there's oh so much that you deserve
There's nothing to say
Nothing to do

I've nothing to give
I (7) leave without you
You know we're (8) separate ways
And it feels like I am
Just too close to love you
There's nothing I can really say
I can't lie no more
I can't hide no more
Got to be true to myself
And it feels like I am
Just too close to love you
So I'll be on my way
So I'll be on my way
And it feels like I am
Just too (9) to love you
There's nothing (10) I can really say
I can't lie no more
I can't hide no more
Got to be true to myself
And it feels like I am
Just too close to love you
So I'll be on my way
So I'll be on my way
So I'll be on my way
