

Fill in the gaps

You know i'm not one	ive nothing to give
To break promises	I must leave (9) you
I don't want to hurt you	You (10) we're (11) separate ways
But I (1) to breathe	And it feels (12) I am
At the end of it all	Just too (13) to (14) you
You're still my (2) friend	There's nothing I can really say
But there's something inside	I can't lie no more
That I need to release	I can't (15) no more
Which way is right	Got to be true to myself
Which way is wrong	And it feels like I am
How do I say (3) I need to move on	Just too close to (16) you
You (4) we're headed separate ways	So I'll be on my way
And it feels (5) I am	So I'll be on my way
Just too close to love you	And it feels like I am
There's nothing I can really say	Just too close to (17) you
I can't lie no more	There's nothing (18) I can (19) say
I can't hide no more	I can't lie no more
Got to be true to myself	I can't (20) no more
And it (6) like I am	Got to be true to myself
Just too close to love you	And it feels (21) I am
So I'll be on my way	Just too (22) to love you
You've given me more	So I'll be on my way
Than I can return	So I'll be on my way
Yet there's oh so (7) (8) you deserve	So I'll be on my way
There's nothing to say	
Nothing to do
