See A Little Light by Belinda

Stay alone in my room
Every moment passing too soon
Watch the candles burn into the night
Fall into a dream
Wake up and everything's the same
A second older but alone just like a child
If you just give me a sign
To live and not to die
Then I could see a little light
I could find some (1)_____ of mind
I don't know where you are
Maybe near or maybe far
I just need a little light
Hear a clock ticking
On a life that could have meaning
If I could (2)_____ the love light in your eyes
See a million people
Everyone's so lonely
But we don't have to be alone tonight

Then I could see a little light
I could find some piece of mind
I don't know (3)_____ you are
Maybe (4)_____ or maybe far
I (5)_____ need a little light
...
If I could see a little light
If I could find some (6)_____ of mind
If you (7)_____ give me a sign
I could see a (8)_____ light
I don't know where you are
Maybe near or maybe far
I could see a little light
If I could see a little light
I (9)_____ see a little light
Stay alone in my room
Every moment passing too soon
Watch the candles burn into the night
