

Stay alone in my room				
Every moment passing too soon				
Watch the candles burn (1) the night				
Fall (2) a dream				
Wake up and everything's the same				
A second older but alone just like a child				
If you (3) give me a sign				
To live and not to die				
Then I could see a little light				
I could (4) (5) piece of mind				
I don't know where you are				
Maybe near or (6) far				
I just need a little light				
Hear a clock ticking				
On a life that could have meaning				
If I could find the love light in your eyes				
See a million people				
Everyone's so lonely				
But we don't have to be alone tonight
