

## Fill in the gaps

We've (1) seeing what you wanted			
Got us cornered right now			
Fallen (2) from our vanity			
Might cost us our lives			
I hear they're (3) closer			
Their howls are sending chills down my spine			
And time is running out now			
They're coming down the (4) from behind			
When we start killing			
It's all coming down right now			
From the nightmare we've created			
I want to be awakened somehow			
(I want to be awakened right now)			
When we start killing			
It all will be falling down			
From the hell, that we're in			
All we are is fading away			
When we start killing			
We've (5) searching all night long			
But there's no trace to be found			
It's like they all have just vanished			
But I know they're around			
I feel they're getting closer			
Their howls are sending chills down my spine			

And time is running out now

When we (7)	killing		
It's all coming down right now			
From the nightmare we've created			
I want to be awakened somehow			
(I want to be awakened right now)			
When we start killing			
It all will be falling down			
From the hell that we're in			
All we are is fading away			
When we start killing			
When we start killing			
I (8) they're get	ting closer		
Their howls are sending chills down my spine			
And time is running out now			
They're coming down the h	nills (9)	behind	
When we start killing			
It all will be falling down			
From the hell (10) we're in			
All we are is fading away			
When we start killing			
When we start killing			
When we start killing
