

You say you don't know

## Fill in the gaps

Where is the moment we needed the most	You tell me don't lie
You kick up the leaves and the magic is lost	You work at a smile and you go for a ride
You tell me your blue skies fade to grey	You had a bad day
You tell me your passion's gone away	The (3) don't lie
And I don't need no carrying on	You're coming back down and you really don't mind
You stand in the line (1) to hit a new low	You had a bad day
You're faking a smile with the coffee to go	(Oh Holiday)
You tell me your life's been way off line	Sometimes the system goes on the blink
You're falling to pieces everytime	And the whole thing turns out wrong
And I don't need no carrying on	You might not make it back and you know
Because you had a bad day	That you could be well oh that strong
You're taking one down	And I'm not wrong
You sing a sad song just to turn it around	So (4) is the (5) (6)
You say you don't know	you need it the most
You tell me don't lie	(Oh) You and I
You work at a smile and you go for a ride	You kick up the leaves and the magic is lost
You had a bad day	'Cause you had a bad day
The camera don't lie	You're taking one down
You're coming back down and you really don't mind	You (7) a sad (8) just to turn it around
You had a bad day	You say you don't know
You had a bad day	You tell me don't lie
You need a blue sky holiday	You work at a smile and you go for a ride
The point is they laugh at what you say	You had a bad day
And I don't (2) no carrying on	You've seen what you like
You had a bad day	And how does it (9) for one more time
You're taking one down	You had a bad day
You sing a sad song just to turn it around	You had a bad day
