

To lift not one but both of us

## Fill in the gaps

## Both Of Us by B.o.B & Taylor Swift

wish I was (1) enough	I can feel your pain, I can feel your struggle
To lift not one but both of us	You just wanna live, but everything so low
Someday I will be strong enough	That you can drown in a puddle
To lift not one but both of us	That's why I gotta hold us up, yeah, hold us up
Jh, ever thought about losing it?	For all the times no one ever spoke for us
When your money is all gone and you lose your whip	So every single time that they play this song
You (2) lose your grip	You can say that, "That's what Bobby Ray wrote for us"
When the landlord tell you that you're due for rent	When the tides get too high
And the grass so green on the other side	And the sea up underneath get so deep
Make a nigga wanna run straight through the fence	And you feel like you're just another person
Open up the fridge 'bout twenty times	Gettin' lost in the crowd, way up high in the nosebleeds, uh
But you still can't find no food in it, that's foolishness	Because we've both been there, yeah, both of us
And (3) I wonder	But we still stand tall with our shoulders up
All we care so much (4) the way we look	And even though we always against the odds
And the way we (5) and the way we act	These are the things that have molded us
And the clothes we bought, how much that cost?	And if life hadn't chosen us
Does it even really matter?	Sometimes I wonder (9) I would've wound up
Cause if life is an uphill battle	'Cause if it was up to me
We all try to climb on the same old ladder	I'd make a new blueprint
n the (6) boat with the same old paddle	Then build it from the ground up, hey
Why so shallow, I'm just asking	But if it's all for one and one for all
What's the pattern, to the madness?	Then maybe one day we all could ball
Everybody in a number one draft pick	Do it one time for the underdogs
Most of us ain't Hollywood actors	From Bobby Ray to all of y'all
But if it's all for one and one for all	I wish I was strong enough
Then maybe one day we all can ball	To lift not one but both of us
Do it one (7) for the underdogs	Someday I will be strong enough
Sincerely yours, (8) one of y'all	To lift not one but both of us
wish I was strong enough	
To lift not one but both of us	
Someday I will be strong enough
