

## Fill in the gaps

## Both Of Us by B.o.B & Taylor Swift

I wish I was strong enough	I can feel your pain, I can feel your struggle
To lift not one but (1) of us	You just wanna live, but everything so low
Someday I will be strong enough	That you can (15) in a puddle
To lift not one but both of us	That's why I gotta hold us up, yeah, (16) us up
Uh, ever thought about losing it?	For all the times no one ever spoke for us
When your money is all gone and you (2)	So every single (17) that they play this song
(3) whip	You can say that, "That's what Bobby Ray wrote for us"
You might lose your grip	When the (18) get too high
When the (4) tell you that you're due for	And the sea up underneath get so deep
rent	And you (19) like you're (20)
And the grass so green on the (5) side	(21) person
Make a nigga (6) run straight through the fence	Gettin' lost in the crowd, way up high in the nosebleeds, uh
Open up the fridge 'bout twenty times	Because we've (22) been there, yeah, both of us
But you still can't find no food in it, that's foolishness	But we (23) stand tall with our shoulders up
And sometimes I wonder	And (24) though we always against the odds
All we care so much about the way we look	These are the things that have molded us
And the way we (7) and the way we act	And if life hadn't chosen us
And the clothes we bought, how much that cost?	Sometimes I wonder where I would've wound up
Does it even (8) matter?	'Cause if it was up to me
'Cause if life is an uphill battle	I'd make a new blueprint
We all try to (9) on the (10) old	Then build it (25) the ground up, hey
ladder	But if it's all for one and one for all
In the same boat with the same old paddle	Then maybe one day we all could ball
Why so shallow, I'm just asking	Do it one (26) for the underdogs
What's the pattern, to the madness?	From Bobby Ray to all of y'all
Everybody in a (11) one (12)	I wish I was strong enough
pick	To lift not one but (27) of us
Most of us ain't Hollywood actors	Someday I will be strong enough
But if it's all for one and one for all	To lift not one but both of us
Then maybe one day we all can ball	
Do it one time for the underdogs	
Sincerely yours, from one of y'all	
I wish I was (13) enough	
To lift not one but both of us	
Someday I will be strong enough	
To (14) not one but both of us
