

Fill in the gaps

So baby come over from the end of the sofa

100 many voices, too many noises
Invisible wires keeping us apart
So (1) choices, but they're all disappointments
And they only steal me away from you
Climb into our own private bubble
Let's get into all (2) of trouble
Slide (3) here let your hands feel the way
There's no better method to communicate
Girl stop (4) talking words just get in the way
I'll be your man
So baby come over from the end of the sofa
I'll be your man, I'll be your man
So many faces, staring at their shoelaces
When all (5) wants is to be seen
So tonight let's be honest
We all want to be wanted
And darling you got me wanting you
Everything (6) I'm (7) to say
Just sounds like a worn out cliché
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your talking words just get in the way
I'll be your man

'll be your man, I'll be your man
What are we all looking for?
Someone we just can't ignore it's
Real love dripping from my heart
You've got me tripping
What are we all looking for?
(Oooh)
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your talking words just get in the way
'll be your man
Slide over here let your hands feel the way
There's no better method to communicate
Girl stop your (8) words just get in the way
'Il be your man
So baby (9) (10) from the end of the
sofa
'll be your man, I'll be your man
'll be your man, I'll be your man
'll be your man, I'll be your man
