

Fill in the gaps

Goodbye My Lover by James Blunt

Did I disappoint you or let you down	I'd spend a lifetime with you
Should I be feeling guilty or let the judges frown	I know your fears and you (17) mine
Cause I saw the end before we'd begun	We've had our doubts but now we're fine
Yes I saw you were blinded and I knew I had won	And I love you, I swear (18) true
So I (1) what's mine by eternal right	I (19) (20) without you
Took your soul out into the night	Goodbye my lover
It may be (2) but it won't (3) there	Goodbye my friend
I am here for you if (4) only care	You have been the one
You touched my heart you touched my soul	You have been the one for me
You changed my (5) and all my goals	Goodbye my lover
And love is (6) and that I knew when	Goodbye my friend
My (7) was blinded by you	You have been the one
I've kissed your lips and held your hand	You (21) been the one for me
Shared (8) dreams and shared your bed	And I still hold (22) hand in mine
I (9) you well, I know (10) smell	In mine when (23) asleep
I've been addicted to you	And I will bare my soul in time
Goodbye my lover	When I'm kneeling at (24) feet
Goodbye my friend	Goodbye my lover
You have been the one	Goodbye my friend
You (11) been the one for me	You (25) (26) the one
Goodbye my lover	You (27) been the one for me
Goodbye my friend	Goodbye my lover
You have (12) the one	Goodbye my friend
You have been the one for me	You (28) been the one
I am a dreamer and when I wake	You have been the one for me
You can't break my spirit it's my (13) you take	I'm so hollow, baby, I'm so hollow
And as you move on, (14) me	I'm so, I'm so, I'm so hollow
Remember us and all we used to be	I'm so hollow, baby, I'm so hollow
I've seen you cry, I've (15) you smile	I'm so, I'm so, I'm so hollow
I've watched you sleeping for a while	
I'd be the father of (16) child
