

Through the wind and the rain

Fill in the gaps

Concrete Angel by Martina McBride

She walks to (1)	_ with the lunch she packed	She stands hard as a stone	
Nobody knows what she's (2) back		In a world that she can't rise above	
Wearing the same dress she wore yesterday		But her dreams give her wings	
She hides the bruises with the linen and lace (oh)		And she flies to a place	
The teacher wonders but she doesn't ask		Where she's loved	
It's hard to see the pain behind the mask		Concrete angel	
Bearing the burden of a secret storm		A (7) stands in a shaded place	
Sometimes she (3)	she was (4)	An angel girl with an (8)	_ face
born		A name is written on a polished rock	
Through the wind and the rain		A broken heart that the world forgot	
She stands hard as a stone		Through the wind and the rain	
In a world that she can't rise above		She stands hard as a stone	
But her dreams give her wings		In a world that she can't rise above	
And she flies to a place		But her dreams (9) her wings	
Where she's loved		And she flies to a place	
Concrete angel		Where she's loved	
Somebody (5) in	the middle of the night	Concrete Angel	
The neighbors hear but they tu	rn out the light		
A (6) soul ca	aught in the hands of fate		
When morning comes it will be	too late
