

Fill in the gaps

You say	I'm (8) to find (9) feeling
It's all in my head	that way too
And the things I think	When you grace me (10) your cold shoulder
Just don't make sense	Whenever you look at me I wish I was her
So where you been then?	You shower me with words made of knives
Don't go all coy	Whenever you look at me I (11) I was her
Don't (1) it round on me like it's my fault	Time and time again I play the role of fool
See I can see	(Just for you)
That look in your eyes	Even in the daylight (12) you (13)
The one (2) shoots me each and every time	that
You grace me with (3) cold shoulder	(I don't see you)
Whenever you look at me I wish I was her	Try to look for things I hear but our (14) never find
You shower me with words made of knives	Though I do know how you play
Whenever you look at me I (4) I was her	You grace me with your cold shoulder
These days	Whenever you (15) at me I wish I was her
When I see you	You shower me (16) words (17) of
You (5) it look like I'm see-through	knives
Do (6) me why	Whenever you look at me I wish I was her
You waste our time	You grace me with (18) cold shoulder
When (7) heart ain't in it and you're not satisfied	Whenever you look at me I (19) I was her
You know I know	You shower me with (20) made of knives
Just how you feel	Whenever you (21) at me I wish I was her (oh, oh,
	oh)
