I'll Be Waiting (Live) by Adele

...

Hold me closer one more time

Say that you (1)_____ me in your last goodbye

Please forgive me for my sins

Yes, I swam (2)_____ waters

But you pushed me in

I've (3)_____ your face under every sky

Over (4)_____ border and on (5)_____ line

You know my heart more than I do

We were the greatest, me and you

But we had time against us

And miles between us

The (6)_____ cried

I know I (7)_____ you speechless

But now the sky has cleared and it's blue

And I see my future in you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting

For you (8)_____ you're ready to love me again

I put my hands up

I'll be somebody different

Let me stay here for just one more night

Build your world around me

You better pull me to the light...

So I can tell you that I was wrong

See, I was a child then

But now I'm willing to learn

But we had time against us

And miles between us, the heavens cried

I know I left you speechless

But now the sky has cleared and it's blue

And I see my future in you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll do (9)_____ different

I'll be better to you

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll be somebody different

Time against us (time against us)

Miles between us (miles between us)

Heavens cried

I know I left you speechless

Time against us (time against us)

Miles between us (miles between us)

Heavens cried

I know I left you speechless

I know I left you speechless

But I'll be waiting

I'll be waiting

For you when you're ready to love me again

I put my hands up

I'll do everything different

I'll be better to you

I'll be waiting

For you when you're ready to (10)_____ me again

I put my hands up

I'll be somebody different

I'll be better to you
