

I know I left you speechless

## Fill in the gaps

	But now the sky has (15) and it's blue
Hold me closer one more time	And I see my future in you
Say (1) you love me in (2) last goodbye	I'll be waiting
Please forgive me for my sins	For you (16) you're ready to (17) me
Yes, I swam dirty waters	again
But you pushed me in	I put my (18) up
I've seen your face under every sky	I'll do everything different
Over every (3) and on every line	I'll be (19) to you
You (4) my (5) more than I do	I'll be waiting
We (6) the greatest, me and you	For you (20) you're ready to love me again
But we had time against us	I put my hands up
And miles between us	I'll be (21) different
The heavens cried	Time against us (time (22) us)
I (7) I left you speechless	Miles between us (miles between us)
But now the sky has cleared and it's blue	Heavens cried
And I see my future in you	I know I left you speechless
I'll be waiting	Time against us (time against us)
For you when you're (8) to love me again	Miles between us (miles (23) us)
I put my hands up	Heavens cried
I'll do everything different	I (24) I left you speechless
I'll be (9) to you	I know I left you speechless
I'll be waiting	But I'll be waiting
For you when you're ready to love me again	I'll be waiting
I put my (10) up	For you when you're ready to love me again
I'll be somebody different	I put my hands up
Let me stay (11) for just one (12) night	I'll do (25) different
Build your world around me	I'll be better to you
You better pull me to the light	I'll be waiting
So I can (13) you that I was wrong	For you when you're ready to love me again
See, I was a (14) then	I put my hands up
But now I'm willing to learn	I'll be somebody different
But we had time against us	I'll be better to you
And miles between us, the heavens cried
