## Can't Make You Love Me (Live) by Adele

| Turn down the lights            | The (11) you don't feel         |
|---------------------------------|---------------------------------|
| Turn (1) the bed                | When you're (12) me             |
| Turn (2) these voices           | Morning will come               |
| Inside my head                  | And I'll do what's right        |
| Lay down with me                | Just (13) me (14) then          |
| And (3) me no lies              | To (15) up this fight           |
| Just (4) me closely             | And I will give up this fight   |
| Don't patronize                 | 'Cause I can't (16) you love me |
| Don't patronize me              | If you don't                    |
| 'Cause I can't make you love me | You can't make your (17) feel   |
| If you don't                    | Something that it won't         |
| You can't make your heart feel  | And (18) in the dark            |
| Something (5) it won't          | These (19) hours                |
| And (6) in the dark             | I (20) lay (21) my heart        |
| These (7) hours                 | I will feel the power           |
| I will lay down my heart        | But you won't                   |
| I will feel the power           | No, you won't                   |
| But you won't                   | 'Cause I can't (22) you love me |
| No, you won't                   | When you don't                  |
| 'Cause I can't (8) you (9) me   | When you don't                  |
| When you don't                  | You                             |
| When you don't (yeah)           | When you don't (yeah, yeah)     |
| I close my eyes                 |                                 |
| 'Cause (10) I don't see         |                                 |
