

## Fill in the gaps

### One And Only (Live) by Adele

...

You've been on my mind  
I grow fonder every day  
Lose myself in time  
Just (1)\_\_\_\_\_ of your face  
God only knows  
Why it's taken me so long  
To let my (2)\_\_\_\_\_ go  
You're the only one that I wanted  
I don't know why I'm scared  
'Cause I've been here before  
With every feeling, every word  
I've imagined it all  
You'll never know if you never try  
To forgive your past and simply be mine  
I dare you to let me be your  
Your one and only  
I promise I'm worth it  
To hold in your arms  
So come on and give me the chance  
To prove that I am the one who can  
Walk that mile  
Until the end starts  
If I've been on your mind  
Do you hang on every word I say?  
Lose (3)\_\_\_\_\_ in time  
At the (4)\_\_\_\_\_ of my name  
Will I ever know  
How it feels to hold you close?  
And (5)\_\_\_\_\_ you (6)\_\_\_\_\_ me  
Whichever road I choose, you'll go?  
I don't (7)\_\_\_\_\_ why I'm scared  
'Cause we've been here before  
With every feeling, every word  
I've imagined it all

You'll never know if you never try  
To (8)\_\_\_\_\_ my past and simply be mine  
I dare you to let me be your  
Your one and only  
I promise I'm worth it  
To hold in your arms  
So come on and give me the chance  
To prove that I am the one who can  
Walk that mile  
Until the end starts  
(I know it ain't easy giving up your heart)  
(I know it ain't easy giving up your heart)  
(Nobody's perfect)  
(I know it ain't easy giving up your heart)...  
(Nobody's perfect)...  
(I know it ain't (9)\_\_\_\_\_ (10)\_\_\_\_\_ up your  
heart)  
I know it...  
I know it...  
Nobody's perfect  
(I know it ain't easy giving up your heart)  
So I dare you to let me be your  
Your one and only  
I promise I'm worth it  
To hold in your arms  
So come on and give me the chance  
To prove that I am the one who can  
Walk that mile  
Until the end starts  
Come on and give me the chance  
To prove that I am the one who can  
Walk that mile  
Until the end starts now

## Fill in the gaps

### Answer

1. thinking
