

Shadows all that remain

Fill in the gaps

Until My Last Breath by Tarja Turunen

Cannot cry it loud enough			Wishes (6) (7)	over
'm giving up this ghost			In this (8) of pain	
How can I (1)	justify		Until my (9) breath	
When you (2) my voice			You'll never know	
n this nothing I'm not allowed			Until you feel the silence	
just follow alone			When I am gone	
Nords as weapons without a sound			Now it's vanishing	
Echoes dying unborn			Everything	
Until my last breath			What we might have been	
You'll never know			Only now your prays	
Until you feel the silence			Call my name	
When I am gone			But you won't see again	
Now it's vanishing			Until my last breath	
Everything			You'll never know	
What we might have been			Until you feel the silence	
Only now (3) prays			When I am gone	
Call my name			Now it's vanishing	
But you won't see again			Everything	
Who can change this memory?			What we might have been	
nside it needs to burn			Only now (10) prays	
Worship by the enemy			Call my name	
The guilty (4)	(5)	turns	But you won't see again	
Natching as it's disar	opearing
