The priests of Hiroshima

Fill in the gaps

Sleep Now In The Fire by Rage Against The Machine

Yeah!		The cost of my desire
The world is my expense		Sleep now in the fire
The (1) of my desire		Hey, Hey
Jesus blessed me with its future		Sleep now in the fire
And I (2) it with fire		Hey, Hey
So (3) (4) (5)	and	Sleep now in the fire
march around		For it's the end of history
Just don't take what you need		It's caged and frozen still
I'll (6) and bury those committed		There is no other pill to take
And smother the rest in greed		So swallow the one
Crawl with me into tomorrow		That made you ill
Or I'll drag you to your grave		The Nina The (8) The Santa Maria
I'm deep inside your children		The (9) and the rapist
They'll betray you in my name		The (10) overseer
Hey, Hey		The agents of orange
Sleep now in the fire		The priests of Hiroshima
Hey, Hey		The cost of my desire
Sleep now in the fire		Sleep now in the fire
The lie is my expense		Yeah!
The scope of my desire		Sleep now in the fire
The party blessed me with its future		Sleep now in the fire
And I protect it with fire		Sleep now in the fire
I am the Nina The (7) The Santa Maria		Sleep now in the fire
The noose and the rapist		
The fields overseer		
The agents of orange
