ir you only knew	its 4:03 and i can't sleep
I'm hanging by a thread the web I spin for you	Without you next to me I
If you only knew	Toss and turn like the sea
I'd sacrifice my beating heart before I lose you	If I drown tonight
I (1) hold onto the letters	Bring me back to life
You returned	Breathe your breath in me
I swear I've lived and learned	The only thing that I still (6) in is you
It's 4:03 and I can't sleep	If you only knew
Without you next to me I	If you only knew
Toss and turn like the sea	I still hold onto the letters
If I drown tonight	You returned
Bring me back to life	You (7) me live and learn
Breathe your breath in me	It's 4:03 and I can't sleep
The (2) thing that I still believe in is you	Without you next to me I
If you only knew	Toss and turn (8) the sea
If you only knew	If I drown tonight
How many times I counted	Bring me back to life
All the words that went wrong	Breathe your breath in me
If you (3) knew	The only thing that I still believe in is you
How I refuse to let you go	Believe in is you
Even when you're gone	I still (9) in you
I don't regret any (4) I spent	If you only knew
Nights we shared	
Or letters (5) I sent
