

Fill in the gaps

You think that I can't live without your love	No one can take it from me
You'll see	You'll see
You think I can't go on another day	You (7) that you are strong
You think I have nothing	But you are weak
Without you by my side	You'll see
You'll see	It takes (8) to cry,
Somehow, some way	(10) defeat
You think that I can never laugh again	I have truth on my side
You'll see	You only have deceit
You think that you (1) my faith in love	You'll see, somehow, some day
You (2) after all you've done	All by myself
I'll never (3) my way back home	I don't need anyone at all
You'll see	I know I'll survive
Somehow, some day	I know I'll stay alive
All by myself	I'll stand on my own
I don't need anyone at all	I won't need anyone this time
I (4) I'll survive	It will be mine
I know I'll (5) alive	No one can take it from me
All on my own	You'll see
I don't need anyone this time	You'll see
It (6) be mine
