

Fill in the gaps

I was walking around, just a face in the crowd	These days the stars seem out of reach
Trying to keep myself out of the rain	(Yeah)
Saw a vagabond king wear a (1)	But (7) days there ain't a ladder on the streets
crown	(Oh oh, oh, oh)
Wondered if I might end up the same	These days are fast
There's a man out on the corner	Love don't lasts in this graceless age
Singing old songs about change	Even innocence has caught the midnight train
Everybody's got (2) cross to bare, these days	And there ain't (8) left but us these days
She came looking for some shelter	(Oh oh, oh, oh)
With a suitcase full of dreams	I know Rome's (9) burning
To a motel room on the boulevard	(Oh oh, oh, oh)
I guess she's trying to be James Dean	Though the times have changed
She's seen all the disciples	(Oh oh, oh, oh)
And all the wanna be's	This world kept turning round
No one wants to be themselves these days	And round and round
Still there's nothing to (3) on to but these days	These days
These days the stars seem out of reach	These days the stars seem out of reach
These days there ain't a (4) on the streets	(Yeah)
(Oh no, no, no)	But these (10) there ain't a ladder on these streets
These days are fast	(Oh no, no, no)
Nothing lasts in this graceless age	These days are fast
There ain't nobody left but us these days	Love don't lasts
Jimmy shoes (5) both his legs	There ain't no time to waste
Trying to learn to fly	There ain't nobody left to take the blame
From a second story window	(Oh no, no, no)
He just jumped and closed his eyes	There ain't nobody left but us these days
His momma said he was crazy	There ain't nobody left but us these days
He said "Momma, I've got to try	
Don't you know that all my heroes died	
And I guess, I'd rather die than (6) away	
(Yeah)
