

Fill in the gaps

I was walking around, just a face in the crowd	These days the stars seem out of reach
Trying to keep myself out of the rain	(Yeah)
Saw a vagabond (1) wear a Styrofoam crown	But (17) days there ain't a ladder on the streets
Wondered if I might end up the same	(Oh oh, oh, oh)
There's a man out on the corner	These days are fast
Singing old songs about change	Love don't lasts in (18) graceless age
Everybody's got (2) to bare,	Even innocence has caught the midnight train
(4) days	And (19) ain't (20) left but us
She came looking for (5) shelter	(21) days
With a suitcase full of dreams	(Oh oh, oh, oh)
To a motel (6) on the boulevard	I know Rome's (22) burning
I guess she's (7) to be James Dean	(Oh oh, oh, oh)
She's seen all the disciples	Though the times have changed
And all the wanna be's	(Oh oh, oh, oh)
No one (8) to be themselves these days	This world kept turning round
Still there's nothing to hold on to but these days	And round and (23) and round
These (9) the stars seem out of reach	These days
These days (10) ain't a ladder on the streets	These days the (24) (25) out of reach
(Oh no, no, no)	(Yeah)
These days are fast	But these days there ain't a (26) on these
Nothing lasts in this graceless age	streets
There ain't nobody left but us these days	(Oh no, no, no)
Jimmy shoes busted both his legs	These days are fast
Trying to learn to fly	Love don't lasts
From a (11) (12) window	There ain't no time to waste
He (13) jumped and closed his eyes	There ain't (27) left to take the blame
His (14) said he was crazy	(Oh no, no, no)
He said "Momma, I've got to try	There ain't nobody left but us these days
Don't you (15) that all my (16) died	There ain't nobody left but us these days
And I guess, I'd rather die than fade away	
(Veah)
