rlake & Clipse

Like I Love You by Justin Timber
Like I Love Tod by Justill Tillibei
Just something about you
The way I'm lookin' at you, whatever
You keep lookin' at me
You gettin' scared now, right?
Don't fear me baby, it's just Justin
It feel good right?
Listen
I kind of noticed, from one night
From the club, your front face
It's kind of weird to me
Since you're so fine
If it's up to me your face will change
If you smiling, that should set the tone
Just be limber
And if you let go
The music should groove your bones
Just remember
Sing this song with me
Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you
People are so phony
Nosy 'cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hatin'
When it doesn't matter anyway
'Cause we're here tonight
