

Fill in the gaps

Like I Love You by Justin Timberlake & Clipse

Just something about you

The way I'm lookin' at you, whatever

You keep lookin' at me

You gettin' scared now, right?

Don't fear me baby, it's just Justin

It feel good right?

Listen

I kind of noticed, from one night

From the club, your front face

It's kind of weird to me

Since you're so fine

If it's up to me your face will change

If you smiling, that should set the tone

Just be limber

And if you let go

The music (1)_____ groove your bones

Just remember

Sing this song (2)_____ me

Ain't nobody love you (3)_____ I love you

You're a good girl and that's what makes me trust ya

Late at night, I talk to you

You will know the difference (4)_____ I (5)_____ you

People are so phony

Nosy 'cause they're lonely

Aren't you sick of the (6)_____ thing?

They say so and so was dating

Love you or they're hatin'

When it doesn't matter anyway

'Cause we're here tonight

Fill in the gaps

If you smiling, that should set the tone

Just be limber, baby

And if you let go, the music should groove your bones

Baby, just remember

Sing (7)_____ song (8)_____ me

Ain't nobody (9)_____ you (10)_____ I love you

You're a good girl and that's what (11)_____ me trust ya

(Hey) late at night, I talk to you

You will (12)_____ the difference (13)_____ I touch you

Yeah, you know I can make ya happy

I could change your life

If you (14)_____ me that chance

To be your man

I won't let you down baby

If you give me that chance

To be your man

Here baby, put on my jacket

And then

Maybe we'll fly (15)_____ (I just wanna love you baby)

(Yeah, yeah, yeah)

Maybe we'll fly tonight (I (16)_____ wanna love you baby)

Girl

Ma, what you wanna do?

I'm in front of you

Grab a friend, see I can (17)_____ fun with two

Or me and you put on a stage show

And the mall kids, that's how to change low

From them you heard "wow, it's the same glow"

Look at me, I say "yeah, it's the same dough"

We the same type, you my air of life

Fill in the gaps

You have sleepin' in the same bed, every night

Go rock with me, you deserve the best

Take a few shots

Let it burn in your chest

We could ride down

Pumpin' N.E.R.D. in the deck

Funny how a few words turn into sex

Play this free, joint called "Brain"

Ma, take a hint

Make me (18)_____ in the lane

The name Malicious

And I burn (19)_____ track

CliPse and J. Timberlake

Now how heavy is that?

Maybe we'll fly (20)_____ (I just wanna love you baby)

(Yeah, yeah, yeah)

Maybe we'll fly tonight (I just wanna love you baby)

Girl

...

Ain't nobody love you like I love you

You're a good girl and that's what makes me trust ya

Late at night, I talk to you

You will know the difference when I

Break this down

You know

I (21)_____ to dream about this when I was a (22)_____ boy

I never (23)_____ it would end up this way

Drums

(Hey...)

It's kind of special right? yeah

Fill in the gaps

You know, you think about it

Sometimes people just destined

Destined to do what (24)_____ do

And that's what it is

Now everybody dance
