

Fill in the gaps

Drops Of Jupiter (Tell Me) by Train

Now that's she's back in the atmosphere
With drops of Jupiter in her hair (hey)
She (1) (2) summer and walks like rain
Reminds me that there's time to change (hey)
Since the return from her stay on the moon
She (3) (4) spring and she talks
like June
(Hey hey)
But tell me, did you sail (5) the sun?
Did you make it to the Milky Way
To see the lights all faded
And that heaven is overrated?
Tell me, did you (6) for a shooting star?
One (7) a permanent scar
And (8) you missed me
While you were looking for yourself out there?
Now that she's (9) from the soul vacation
Tracing her way through the constellation (hey)
She checks out Mozart while she (10) Tae-Bo
Reminds me that there's (11) to (12)
(hey)
Now that she's back in the atmosphere
I'm afraid (13) she might (14) of me
as
Plain ol' Jane told a story about a man
Who was too afraid to fly so he never did land
But (15) me, did the (16) sweep you off
your feet?
Did you finally get the chance
To dance along the light of day
And head (17) to the (18) Way?
And tell me, did Venus blow your mind?
Was it everything you wanted to find?
And then you missed me

While you were looking for yourself out there Can you imagine no love, pride, deep-fried chicken Your best friend always sticking up for you Even when I know you're wrong Can you imagine no first dance, freeze-dried romance Five-hour phone conversation The (19)_____ soy latte that you ever had, and me? But (20)_____ me, did the wind sweep you off your feet? Did you finally get the chance To dance along the light of day And head back toward the Milky Way? But tell me, did you sail across the sun? Did you make it to the Milky Way To see the lights all faded And that (21)_____ is overrated? And tell me, did you fall for a shooting star? One without a (22)_____ scar And then you (23)_____ me While you were looking for yourself? (Na na na...) And did you finally get the chance _____ along the light of day? (Na na na...) And did you (25)_____ for a shooting star? Fall for a (26)_____ star? (Na na na...) And now you're (27)_____ looking for yourself out there
