

Fill in the gaps

You (1) a song	When (6) look low
While sittin' at a red light	You've gotta keep strong
You think of home	Feet to the grass
While sittin' at a red light	You've gotta walk it off
Too (2) to roll	The bows been tied
Put your life on hold	Too (7) to laugh
An open path	Feet to the ground
Nith nowhere to go	You've gotta walk it off
You start to wonder	You can run a red light
While sittin' at a red light	You can run a red light
You can run a red light	Start to think
Give up at a red light	Am I drinkning too much
You break the mold	Should I keep going
When runnin' through the tolls	Lose the life that I love
Speeding through your whole life	(Oh)
A chance to breathe	You can run a red light
While sittin' at a red light	Give up at a red light
You look around	You break the mold
Reflectin' on (3) life	When runnin' (8) the tolls
A chance to think	Speedin' through your whole life
Am I drinkin' too much	You can run a red light
Should I (4) goin'	Give up on (9) (10) li
Lose the life that I love	You break the mold
A (5) glance	When runnin' through the tolls
When comin' to a red light	Speedin' through your whole life
You can run a red light	(Oh)
Give up at a red light	You can run a red light
You break the mold	(Oh oh oh)
When runnin' through the tolls	(Yeah)
Speedin' through your whole life	You can run a red light
You can run a red light	
Give up on your whole life	You sing a song
You break the mold	While sitting at a red light
When runnin' through the tolls	
Speedin' through your whole life
