Warn you once to turn away
Here it's December, everyday
Press (1)_____ lips to the sculptures
And surely you'll stay (love (2)_____ winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, (3)_____ I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From (4)_____ before
She (5)_____ the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the lines in the mirror
Through the lipstick trace...
She (6)_____ "It seems you're somewhere, far away..."
