

Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, (1)_____ I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From (2)_____ before
She attails the (3)_____ lace
I barely dreamt her, (4)_____ (yesterday...)
With the lines in the mirror
Through the lipstick trace...
She said "It seems you're somewhere, far away..."

Fill in the gaps

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She (5)_____ love, I taste the blood
She bit my lip, and drank my warmth
From years before
From (6)_____ before
Love (7)_____ winter (Oh oh...)
Love like winter, winter... 3...4...
It's in the blood, it's in the blood
I met my love, before I was born
