

## Fill in the gaps

Warn you once to (1) away
Here it's December, everyday
Press (2) to the sculptures
And (4) you'll stay (love (5)
winter)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I (6) the blood
He bit my lip, and (7) my warmth
From (8) before
From (9) before
She (10) the (11) lace
I barely dreamt her, (12) (yesterday)
With the lines in the mirror
Through the lipstick trace

To his place"
It's in the blood, it's in the blood
I met my love, (14) I was born
She wanted love, I taste the blood
She bit my lip, and (15) my warmth
From (16) before
From (17) before
Love (18) winter (Oh oh)
Love (19) winter, winter 34
It's in the blood, it's in the blood
I met my love, before I was born
He (20) love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
