Fill in the gaps

Love Like Winter by AFI

Warn you (1)_____ to (2)_____ away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter…)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From (3)_____ before
From years before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday…)
With the (4)_____ in the mirror
Through the lipstick trace...
She (5)_____ "It seems you're somewhere, far away…
To his place"
It's in the blood, it's in the blood
I met my love, (6)_____ I was born
She wanted love, I taste the blood
She bit my lip, and drank my warmth
From (7)_____ before
From years before
Love like winter (Oh oh...)
Love like winter, winter… 3…4…
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and (8)_____ my warmth
From (9)_____ before
From years before

Fill in the gaps

Answer
