

Fill in the gaps

Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, (1)_____ I was born
He wanted love, I taste the blood
He bit my lip, and (2)_____ my warmth
From (3)_____ before
From (4)_____ before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the (5)_____ in the mirror
Through the (6)_____ trace...
She said "It (7)_____ you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She wanted love, I taste the blood
She bit my lip, and drank my warmth
From years before
From years before
Love (8)_____ winter (Oh oh...)
Love like winter, winter... 3...4...
It's in the blood, it's in the blood
I met my love, before I was born
He (9)_____ love, I taste the blood
He bit my lip, and (10)_____ my warmth
From years before
From years before

Fill in the gaps
