

Been crossed and lost and told no

And I've come back

## Fill in the gaps

Yeah	Unshaken
Yo	Let down and (4) and let go
You were that	So you can let it be known
Foundation	I don't hold back I hold my own
Never gonna be another one, no	I can't be mapped
I followed	I can't be cloned
So taken	I can't c-flat
So conditioned I could never let go	It ain't my tone
Then sorrow	I can't fall back I came too far
Then sickness	Hold myself up and (5) my scars
Then the shock when you flip it on me	Let the bells ring (6) they are
So hollow	'Cause I was there saying
So vicious	In these promises broken
So (1) I couldn't let myself see	Deep below
That I could never be held	Each word gets lost in the echo
Back or up no	So one last lie
I hold myself	I can see through
Check the rep	This time I finally let you go
Yep you know mine well	No
Forget the rest	You can tell 'em all now
Let them know my hell	I don't (7) up
There and back	I don't back down
Yet my soul ain't sell	I don't fold up and I don't bow
Kept respect up	I don't roll over
The (2) they fell	Don't know how
Let the (3) be the tale they tell	I don't (8) where the enemies are
That I was there saying	Can't be stopped all I know go hard
In these promises broken	Won't forget how I got this far
Deep below	For every (9) saying
Each word gets lost in the echo	In these promises broken
So one last lie	Deep below
I can see through	Each (10) gets lost in the echo
This time I finally let you	So one last lie
Go	I can see through
Go	This time I finally let you
Go	Go
Test my will	Go
Test my heart	Go
Let me tell you how the odds gonna stack up	Go
Ya'll go hard	Go
I go smart	Go
How's that working out for y'all in the back, huh?	Go
I've seen that frustration
